

BRICS Educational Internship Programme

KEY FACTS

Content: joint internship within the framework of FEFU Master/Bachelor degree programs

Tasks: to provide an environment to the young professionals from Brazil, Russia, India, China and South Africa to study together in frames of educational programs that are the most popular and relevant for BRICS;

to foster cultural exchanges among students from BRICS countries;

to strengthen dialogue and mutual understanding within BRICS

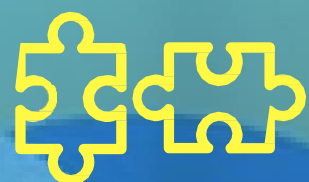

Place: Far Eastern Federal University (FEFU), Vladivostok, Russia

Timeframes: mid-February - June 2020 (the Programme is held in recognition of the Russian 2020 BRICS Presidency)

Participants: students from Brazil, India, China and South Africa as well as FEFU students

Official language: English

ADVANTAGES OF THE PROGRAMME

Chance to discuss the global agenda relevant for BRICS member states, as well as to explore Russia's foreign policy and its role in BRICS

Time to experience Russia, know more about its culture, language, cuisine; live in a sunny city surrounded by beautiful sea with over 50 wild islands

Participation in the international educational programs most popular among students from BRICS countries

Opportunity to transfer credits at home institution based on the academic transcript awarded by FEPU
